Great course

Professor was extremely accommodating to the students' needs in order to succeed in learning the content being taught.

LOVED my professor, they were amazing and made the course easy to understand and engaging!

Katherine was a really great professor. She made sure to take into consideration all of our questions and was very accessible. The homework assignments correctly reflected what we were doing in class and what was going to be on our weekly quizzes.

Dr. Brumberg is an amazing professor and I am so lucky to have had her this summer. Overall, she taught this course in a clear and concise way! I would highly recommend it!

Katherine was an incredible professor!!

I learned mostly from the homework assignments and answer keys not through the lecture

The course was not very rigorous and moved a bit slowly. However, I have a preference for quickly paced courses, so others might disagree.

I really enjoyed learning with Professor Brumberg. She was so helpful and she was always willing to help in office hours.
